This invitation is extended to you to become a member of the Colorado Country Music Association. We are affiliated with the North America Country Music Associations, Int'l. The NACMAI was formed to promote Country/Gospel and Bluegrass Music and the aspiring artists, musicians and songwriters, therefore, we will be striving to achieve the same goals. Our motto is "Keep Country, Country." We're a 501C3 organization!

Some of the objectives of the Colorado Country Music Association are to guide and assist in the development of country and gospel singers, musicians, songwriters, and others desiring to take an active role in music; to develop a relationship with independent members of the music industry throughout Colorado; and to provide an ongoing vehicle to market and promote the independent country and gospel music industry. As a non-profit association, the CCMA will include local and state competition and award shows.

I look forward to hearing from you in the near future and know your addition will add much to the Association. If you would like more information or if I can be of any assistance, please feel free to call 719-372-6280.

Sincerely,

Misty Dawn
CEO/President
